## District Parental Involvement Policy Meeting Notification

### ANNUAL NOTIFICATION

Dear Parent/Guardian:

The No Child Left Behind Act of 2001 requires the Bellwood-Antis School District to develop and distribute to parents a written parent involvement policy that establishes the school district's expectations for parent involvement.

Specifically, schools must hold a yearly meeting, at a convenient time, to which all parents of participating children must be invited and encouraged to attend. At this meeting, we will provide you with information about the school district's programs, a description and explanation of the curriculum in use at the school, the kinds of tests the school district uses to measure student learning, and the proficiency levels students are expected to meet.

This information is available at "Open House" on an annual basis or through your building principal.

We look forward to seeing you at Open House.

Sincerely,

G. Brian Toth  
Superintendent
