Status of AYP (Adequate Yearly Progress) Notice to Parents

ANNUAL NOTIFICATION

Dear Parent/Guardian:

The No Child Left Behind (NCLB) Act of 2001 requires schools to “disaggregate” student performance data—that is, separate it by student groups—and show that each group is making progress. If even one group fails to make progress on one progress indicator, a school or district will not make adequate yearly progress (AYP).

Schools receiving assistance under Title I that do not make AYP for two years are subject to NCLB’s improvement requirements, such as providing school choice and supplemental educational services. The purpose of this memo is to inform you that the Bellwood-Antis School District made AYP this school year.

We appreciate your support of our school/district as we attempt to meet our goals.

If you have questions about AYP, please feel free to contact the School Principal, at 814-742-2271.

Sincerely,

Dr. G. Brian Toth
Superintendent
